TEXTURA SRL is GRS/RWS/RMS/RAS certified
Certified by ICEA
ICEA-TX- 2694

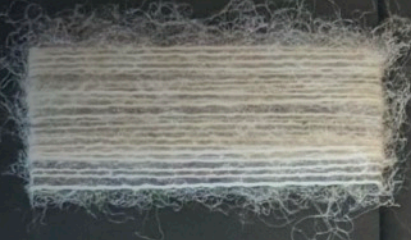

Certified by ICEA
ICEA-TX- 2694

"Only the products which are covered by a valid
Transaction certificate are GRS/RWS/RMS/RAS certified"

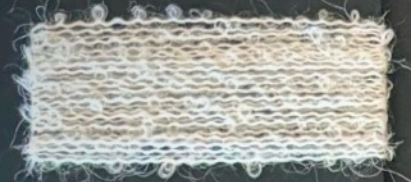

Textura offers a large range of machines and fancy yarns for weaving, home furnishing and accessories with compositions from the most basic to the most refined one. The style research is accurate and in continuous change by following the fashion trends, but also very careful towards environmental issues and we have the following GRS, RWS, RMS, RAS, GOTS and BCI certifications. The company guarantees to its customers punctuality in deliveries, innovation and the experience of its technical and commercial departments.
